Description and Remarks. WASHINGTON, D.C.---Statement by President, "Each year the Committee on Religion in American Life reminds us of the importance of faithful church attendance. It urges full support of religious institutions -- charity,mercy,brotherly love, and faith in Almighty God. These spiritual concepts are the inspiration of the American way. It was once said "America is great because America is good"...and if America ever ceased to be good,America will cease to be great". By strengthening religious institutions,the Committee on Religion in American Life is helping to keep America good. Thus it helps each of us to keep America great. I earnestly hope that during November and throughout this and every
